Lunch Symposium | EANS2019
19th European Congress of Neurosurgery

LOCAL THERAPIES IN MALIGNANT GLIOMAS
UPDATE AND NEW PERSPECTIVES

NanoTherm® – NanoPaste Application

CHAIR/SPEAKER
Prof. Dr. Walter Stummer Muenster, Germany
Introduction
Current Status of Glioma Treatments

SPEAKER
Ricardo Díez Valle, MD PhD Madrid, Spain
Local Neurosurgical Therapies: An Update

SPEAKER
Prof. Dr. Walter Stummer Muenster, Germany
An Emerging Adjunct: NanoTherm® – NanoPaste Application

Wrap-Up & Discussion

DATE
September 25, 2019
13:15 – 14:15 pm

VENUE
Ecocem
Fighting cancer with nanomedicine

NanoTherm® Therapy System – a unique approach for focal treatment of solid tumors

Intra-tumoral application of superparamagnetic nanoparticles and non-invasive activation via alternating magnetic field

European certification for NanoTherm® Therapy System in treatment of brain tumors since 2010
